WINTER BULLETIN 2023

Since our last bulletin there has been a noticeable decline in world affairs. Unfortunately Canada & the U.S.A. have figured in this decline.

This is not just politics but religion as well. Our Church is in crisis. Anyone who would argue this fact is like the proverbial ostrich with head in the sand. Our Governments are worse. Just look at how Abortion & Euthanasia are expanding. Our schools are inundated with all kinds of misguided sex studies & gender ideas.

What can we do to seek improvements? One area of course is prayer. Also, this being Lent we could add fasting and charitable Works.

Those of you who belong to "The Guild" will notice how active Blessed Michael McGivney, our founder is. Blessed Michael and Our Lady, Queen of the Knights are two great friends of ours who are working for us. All we need to do is ask them through our prayers to achieve much needed improvements.

Vivat Jesus,

Michael O'Neill
Chairman.
